Wheeled Coach Names Pete's Equipment Repair as Dealer for New Mexico

Orlando, Florida – Wheeled Coach Industries, Inc., the world's largest ambulance manufacturer, has named Pete's Equipment Repair, Inc. as their ambulance dealer for New Mexico

"It is with great pleasure that I am able to announce that Pete's Equipment Repair, Inc. has been named the Wheeled Coach Dealer for New Mexico. As the recognized volume leader in the ambulance industry, one of our main goals is to provide our customers with unsurpassed sales and service in the areas in which we compete. Pete's Equipment Repair is a family-run business that has an outstanding reputation throughout New Mexico for unsurpassed sales and service. They understand the importance of after-sale service and it is foregone conclusion that their accomplishments in this area will extend to EMS," stated Robert Collins, President of Wheeled Coach Industries, Inc.

Pete Marquez Sr., President of Pete's Equipment Repair, added, "Since 1978, my business philosophy and principles have centered around service. We service what we sell, and we sell what we service. In addition, Pete's has always represented the best the industry has to offer and that is exactly the reason we now represent Wheeled Coach in New Mexico."

Wheeled Coach is a wholly owned subsidiary of Collins Industries, Inc. In addition to being a leading manufacturer of ambulances (including medical attack vehicles, rescue vehicles and fire emergency vehicles), Collins Industries is North America's largest producer of Type "A" small school buses, the nation's second largest manufacturer of terminal trucks and a leader in the road construction and industrial sweeper markets. Since 1971, the Company has grown to approximately 1,000 employees in six plants comprising over one million combined square feet of manufacturing space. The Company sells its products throughout the United States and abroad.
