Wheeled Coach Chosen to Attend Ford Motor Company's Commercial Media Event

Orlando, Florida – Wheeled Coach Industries, Inc., was invited to attend and display a vehicle at a special media event held by Ford Motor Company on December 14th, 2012. This was a closed event held on Ford Field, Home of the Detroit Lions, that allowed Ford to show their commitment and support for the commercial market.

Wheeled Coach's local dealer, Emergency Vehicles Plus of Holland, Michigan, showcased a Wheeled Coach Ford F450 Type I walk-thru. Many journalists, photographers and Ford executives were on hand to ask questions and take pictures. Scott Schalow of EVP commented, "Ford was a very gracious host and promised continued support of all the builders on their commercial products. It was our privilege to represent Wheeled Coach at the Commercial Media Event."

The ambulance on display is evidence of Wheeled Coach's commitment to safety and innovation. Wheeled Coach is the most dynamically tested and certified ambulance in the United States.These tests include Side Impact Crash Testing and Hygee Sled Testing. As the only 9001:2008 Certified Manufacturer in the United States, our commitment to quality is well known. Features such as the Cool Bar and SafePASS™, the revolutionary internal door lock release tabs that allow the doors to open in the event of an accident or mechanical function are just two examples of Wheeled Coach's innovations to meet our customer's needs. To find out why your next ambulance should be a Wheeled Coach, go to www.wheeled coach.com for your nearest dealer.

About Wheeled Coach: Wheeled Coach is a wholly owned subsidiary of Allied Specialty Vehicles. ASV, with revenue of approximately $1 billion, is a market leader in three industry segments: Fire & Emergency, Recreational Vehicles, and Bus & Industrial. The Company was formed on August 25, 2010 through the combination of four existing portfolio companies of American Industrial Partners: EONE, Inc. Collins Industries, Inc. and Halcore Group, Inc., and Fleetwood RV, Inc. Within the Fire & Emergency segment, ASV offers an extensive line of fire apparatus and ambulances. Within the Recreational Vehicle segment, the Company produces Class A and Class C Recreational Vehicles under many of the industry's iconic brand names. Within the Bus & Industrial segment, the Company produces Type A bus products for both the school and childcare markets as well as terminal trucks and street sweeper products.
