Wheeled Coach Names Emergency Vehicle Group, Inc. as Dealer in California and Arizona

Orlando, Florida – Wheeled Coach Industries, Inc., the world’s largest ambulance manufacturer, has named Emergency Vehicle Group, Inc., Anaheim, California as their dealer for California and Arizona.

“I am pleased to announce that Emergency Vehicle Group, Inc. has been named the Wheeled Coach Dealer for California and Arizona. As the recognized brand leader in the ambulance industry, our continuing goal is to provide our customers with the absolute best sales and service available. Emergency Vehicle Group, besides being a family owned and operated business, Jerry and Travis Grinstead, the Principals of EVG have a passion for our industry that is rarely seen today. We are proud to be associated with such a dynamic organization”, stated Robert Collins, President of Wheeled Coach Industries, Inc.

Jerry Grinstead, President of Emergency Vehicle Group., added, “Our on-going mission is to provide our customers with the absolute best in sales, service and support, both before and after the sale. We constantly strive to develop long-term relationships and provide our customers with “honest, intelligent effort” in every thing we do. With the addition of the Wheeled Coach product line, EVG will be able to offer our customers the most complete line of products, service, and delivery in the industry. We are particularly excited about Wheeled Coach’s new customized small, medium and heavy-duty rescue vehicles and feel these will fit our market well.”

Wheeled Coach is a wholly owned subsidiary of Collins Industries, Inc. In addition to being a leading manufacturer of ambulances (including medical attack vehicles, rescue vehicles and fire emergency vehicles), Collins Industries is North America’s largest producer of Type “A” small school buses, the nation’s second largest manufacturer of terminal trucks and a leader in the road construction and industrial sweeper markets. Since 1971, the Company has grown to approximately 1,000 employees in six plants comprising over one million combined square feet of manufacturing space. The Company sells its products throughout the United States and abroad.
