Wheeled Coach Names Campbell Supply Company as Dealer for New Jersey

Orlando, Florida – Wheeled Coach Industries, Inc., the world’s largest ambulance manufacturer, has named Campbell Supply Company, LLC. as their ambulance dealer for New Jersey.

“I am happy to announce that Campbell Supply Company has been named the Wheeled Coach Dealer for New Jersey. As the leader in the ambulance industry, we constantly explore ways to provide our customers with unsurpassed sales and service in the areas in which we compete. Campbell Supply Company is a second generation family owned business that has been involved in the sales and service of fire apparatus, rescue vehicles and ambulances since 1967. Without question, their accomplishments in the fire service will extend to EMS with their representation of the complete line of quality Wheeled Coach ambulances,” stated Robert Collins, President of Wheeled Coach Industries, Inc.

Scott Campbell, President of Campbell Supply Company, added, “At Campbell Supply, our business philosophy has been based on two guiding principles – honesty and integrity. We also believe the products we represent are the best the industry has to offer and that is exactly why Campbell Supply Company will now represent Wheeled Coach in New Jersey.”

Wheeled Coach is a wholly owned subsidiary of Collins Industries, Inc. In addition to being a leading manufacturer of ambulances (including medical attack vehicles, rescue vehicles and fire emergency vehicles), Collins Industries is North America’s largest producer of Type “A” small school buses, the nation’s second largest manufacturer of terminal trucks and a leader in the road construction and industrial sweeper markets. Since 1971, the Company has grown to approximately 1,000 employees in six plants comprising over one million combined square feet of manufacturing space. The Company sells its products throughout the United States and abroad.
