Wheeled Coach Names North Eastern Rescue Vehicles as Dealer for New York

Orlando, Florida – Wheeled Coach Industries, Inc., the world’s largest ambulance manufacturer, has named North Eastern Rescue Vehicles, Inc. as their ambulance dealer for New York State.

“I am happy to announce that North Eastern Rescue Vehicles, Inc. has been named the Wheeled Coach Dealer for New York State. As the single brand leader in the ambulance industry, we constantly explore ways to provide our customers with unmatched sales and service in the areas in which we compete. NERV has been involved with New York EMS for almost 20 years and are recognized as one of the premier ambulance dealers in the United States. It goes without saying that their accomplishments will only be enhanced with their representation of the complete line of quality Wheeled Coach ambulances,” stated Robert Collins, President of Wheeled Coach Industries, Inc.

Bob Barnes and Bob Reilly, partners at NERV, added, “Since day one, we have grown our business by proving unparalleled service along with a strong and lasting relationship with all of our customers. Now by aligning ourselves with the industry leader, Wheeled Coach, we will be able to provide all of our EMS customers with the best products, service, and delivery in the industry.”

Wheeled Coach is a wholly owned subsidiary of Collins Industries, Inc. In addition to being a leading manufacturer of ambulances (including medical attack vehicles, rescue vehicles and fire emergency vehicles), Collins Industries is North America’s largest producer of Type “A” small school buses, the nation’s second largest manufacturer of terminal trucks and a leader in the road construction and industrial sweeper markets. Since 1971, the Company has grown to approximately 1,000 employees in six plants comprising over one million combined square feet of manufacturing space. The Company sells its products throughout the United States and abroad.
