Wheeled Coach Adds Dedicated Customer Service Center At Its Hutchinson, KS Facility

Wheeled Coach Inc., the world's largest ambulance manufacturer, announced today the addition of a new dedicated customer service and delivery center at their ambulance manufacturing facility in Hutchinson, KS. This center provides a welcome, relaxing environment with over 8,500 sq. ft. of air conditioned comfort. A 3-bay ambulance inspection area is provided and other amenities include a lounge area with big screen TV, conference room facilities, a private guest office with fax/modem capabilities and a refreshment bar.

Bob Collins, President of Wheeled Coach stated, "As an ISO 9001:2000 certified manufacturer, and leader in the ambulance manufacturing industry, we understand the needs of our customers. This new Customer Service area provides customers the opportunity to relax in a private environment, and meet with Wheeled Coach personnel while taking delivery of their new unit. This new center represents Wheeled Coach's continued commitment to customer service before, during, and after the unit is delivered."

Wheeled Coach is a wholly-owned subsidiary of Collins Industries, Inc. a publicly held company traded on the NASDAQ (Symbol:COLL). Headquartered in Orlando, Florida, Wheeled Coach markets their products through an extensive network of direct and authorized factory representatives, both domestically and worldwide.

Collins Industries is also North America's largest producer of Type "A" small school buses, the nation's second largest manufacturer of terminal trucks and a leader in the road construction and industrial sweeper markets. Since 1971, Collins Industries has grown to over 1,000 employees in six plants comprising over one million combined square feet of manufacturing space. The Company sells its products throughout the United States and abroad.
