Wheeled Coach Names Peach State Ambulance as Distributor in Four States

Orlando, Florida – Wheeled Coach Industries, Inc., the world’s largest ambulance manufacturer, has named Peach State Ambulance as their ambulance distributor for Alabama, Georgia, South Carolina and Tennessee.

“It gives me great pleasure to announce that Peach State Ambulance has been named as the Wheeled Coach Distributor for Alabama, Georgia, South Carolina and Tennessee. As the leader in the ambulance industry, we continue to look for ways to provide our customers with the absolute best sales and service in the areas in which we compete. Peach State Ambulance has proven to be a great competitor in the past and we are pleased they’ve now decided to concentrate all their sales efforts on the complete line of quality Wheeled Coach ambulances,” stated Tim Hutchens, Vice President of Sales for Wheeled Coach Industries, Inc.

Jim Olson, President of Peach State Ambulance, added “At Peach State Ambulance, we have grown our business by building strong and lasting relationships with all of our customers. And by aligning ourselves with the industry leader, Wheeled Coach, we will be able to provide all of our customers with the best products, service, and delivery in the industry.”

Wheeled Coach is a wholly owned subsidiary of Collins Industries, Inc. In addition to being a leading manufacturer of ambulances (including medical attack vehicles, rescue vehicles and fire emergency vehicles), Collins Industries is North America’s largest producer of Type “A” small school buses, the nation’s second largest manufacturer of terminal trucks and a leader in the road construction and industrial sweeper markets. Since 1971, the Company has grown to approximately 1,000 employees in six plants comprising over one million combined square feet of manufacturing space. The Company sells its products throughout the United States and abroad.
