

TYPE III AMBULANCES

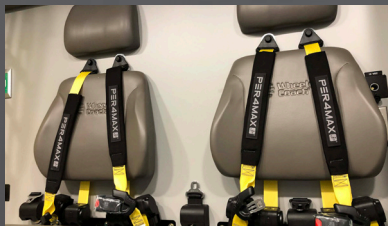

Crew-tailored Emergency Vehicles

With a legacy and passion to deliver mission-critical durability, Wheeled Coach ambulances are born to perform under the most demanding conditions—and built to be as unbreakable as the spirit of those we serve. That's why they are truly ***Trusted by the Toughest.***

Municipal and commercial customers depend on Wheeled Coach Type III ambulances to navigate congested city streets or rural back roads. They deliver better maneuverability, due to a short turning radius, as well as better fuel economy. The cutaway chassis means your crews stay comfortable call after call. Available in short or long wheelbases, our Type III ambulances can handle all your gear, so you're always ready for the challenges of the next run.

WHEELED COACH FEATURES

Wheeled Coach is an industry leader in product innovations that protect the occupants while providing long life and durability. Our Type III ambulances include these built-in features.

Safeguard Box Frame™

Using advanced processes that ensure the highest quality, repeatable results and precision, we build a highly reinforced, but ultra-light roll cage superstructure with strategically positioned metal bars, creating one of the strongest, safest and most durable ambulance bodies around.

AntiCor™ Protection System

Layer upon layer of anti-corrosion features that stand up to the most demanding conditions.

ToughCoat™ Paint Process

Our unique nine-step process employs precision application standards centered around a revolutionary high-tech primer with adhesion and anti-corrosive properties never before achieved for a super tough, long-lasting finish.

TrueForm™ Wall Construction

This precision assembly process incorporates our **StraightLine™ Laser-guided Fixture Alignment** to create accurate, square, repeatable frames that fit every time.

Our network of independent dealers, backed by the Wheeled Coach team and REV Finance, are ready as your first line of defense when you need support. Contact our sales team at **1-800-422-8206** or find your local dealer at: wheeledcoach.com/ambulance-dealer-locator.
